

DATAWAVE TECHNOLOGIES LIMITED

— Your Trusted Partner —

WE ARE HIRING!

DEPUTY MANAGER / ASSISTANT MANAGER

CORPORATE SALES & MARKETING

Datawave Technologies Limited is looking for smart, energetic, and target-driven professionals to join our Corporate Sales & Marketing team. The selected candidates will be responsible for expanding corporate business opportunities, building strong client relationships, promoting IT, Network, Software, and Corporate Solutions, and achieving sales targets through strategic business development initiatives.

KEY RESPONSIBILITIES

- ✓ Develop and implement effective corporate sales and marketing strategies to achieve business growth and revenue targets.
- ✓ Identify new business opportunities and generate leads from corporate clients, institutions, and key accounts.
- ✓ Promote and sell the company's IT products, network solutions, software solutions, and corporate service offerings.
- ✓ Build and maintain strong relationships with existing and potential corporate clients.
- ✓ Conduct client meetings, presentations, product demonstrations, and negotiations to close business deals successfully.
- ✓ Prepare quotations, proposals, business presentations, and commercial offers for prospective clients.
- ✓ Coordinate with internal technical and operational teams to ensure proper solution delivery and customer satisfaction.
- ✓ Monitor market trends, competitor activities, and customer requirements to support strategic planning.
- ✓ Prepare regular sales reports, target achievement reports, and business development updates for management.
- ✓ Ensure achievement of monthly, quarterly, and yearly sales targets.
- ✓ Support promotional campaigns, branding activities, and other corporate business development initiatives.
