

We're Hiring | Senior Executive / Assistant Manager – ACI People Team

Advanced Chemical Industries PLC is looking for a dynamic and business-focused HR professional to join the ACI People Team.

The role will support assigned business portfolios through end-to-end recruitment, employee lifecycle management, performance coordination, and HR analytics. This is a great opportunity for someone who enjoys working closely with business teams, solving people-related challenges, and contributing to a performance-driven culture.

What we are looking for:

BBA/MBA in HRM from any reputed university with 2–4 years of relevant HR experience.

Location: ACI Centre, Dhaka

Application Deadline: 15 July 2026

Interested candidates are requested to apply by scanning the QR code or sending their CV to career@aci-bd.com mentioning the position title in the subject line.
