

We're Hiring | Python Intern | Remote

AlgoMinds Limited is looking for a passionate Python Intern to join our team. If you're eager to learn, work on real world projects, and build your career in Python development, we'd love to hear from you.

 Location: Remote

 Duration: 3 Months (Paid Internship)

You'll get hands on experience with Python, APIs, databases, Git, and AI powered development while working with experienced developers.

 Send your CV: hr@algominds.live

Know someone who's looking for a great internship? Tag them or share this opportunity with your network.

The poster features the AlgoMinds logo at the top left, which includes a brain icon. The main headline 'We're Hiring: Python Intern' is prominently displayed in large, bold, green and blue fonts. To the right, there is a laptop showing Python code on its screen, with a Python logo and an AI robot icon floating next to it. Below the headline, four key details are listed with corresponding icons: Duration (3 Months), Stipend (Paid Internship), Education (BSCS / BSSE / Related Field), and Location (Remote). A section titled 'What You'll Do:' lists five tasks with checkmarks: working on real-world Python projects, writing clean and efficient code, learning and applying ML/AI basics, analyzing and visualizing data, and collaborating with the development team. The Python logo is also present in this section. At the bottom, a green bar contains an envelope icon and the text 'Send your Resume: hr@algominds.live', followed by a paper plane icon.
