19 May 2014

Dr. Carmen Zita Lamagna

Vice Chancellor

American International University-Bangladesh

Dhaka, Bangladesh

The Computer Science, Computer Information Systems, Computer Science & Engineering, Software Engineering and Computer Science and Software Engineering are granted initial accreditation for three years valid until May 2017.

The Electrical and Electronic Engineering program is eligible to apply for a Formal Survey six months to one year after receipt of the report, provided that the recommendations of the PAASCU Team have been substantially implemented.

Congratulations!

for: The PAASCU Board of Directors
