

# Seminar Series

Frontiers in Science and Technology

Faculty of Science and Technology

Topic: Advancing Cultivation Strategies: Exploring Climate Dynamics through SHapley Additive Explanations

Dr. M. Mostafizur Rahman

*Associate Professor*

*Department Head*

*Department Of Mathematics, FST*

Topic: An Energy-efficient Small-cell Operation Algorithm for Ultra-dense Cellular Networks

Dr. Md Mehedi Hasan

*Assistant Professor*

*Department Of Computer Science, FST*

Sunday, January 12, 2025 @ 4 PM- 5 PM

Venue: DN0610, Building- D  
American International University-Bangladesh (AIUB)

◆ Join us for an exciting intellectual disclosure of new perspectives! ◆
