LEADS is searching for **passionate, innovative, and talented Software Development freshers/undergraduates** for this Internship program. This program offers an opportunity for aspiring software developers to transition from academic knowledge to practical. Interns will operate within an **Agile environment**, gaining hands-on experience in the full software development lifecycle, with a specific focus on **Java Spring Boot**. By the end of the program, candidates will have built a solid foundation in modern development practices, teamwork, and problem-solving, setting them up for a successful career in technology.

Requirements:

- B.Sc / M.Sc in Computer Science & Engineering (CSE), Information Technology (IT), Software Engineer
- Preferred: BUET / DU-IIT / CUET / RUET / IIUC / IUT
- Fresh Graduates or Final Year Students are encouraged to apply
- Basic understanding of Software Development Life Cycle (SDLC)
- Knowledge of Object-Oriented Programming (OOP) concepts
- Familiarity with Agile Scrum practices is a plus

Note: High-performing interns will have the opportunity to be appointed as regular, full-time/regular employees within the company at the end of the program.
