Suggestion Form

Dear Student,

Please feel free to express your honest and impartial opinion regarding any aspect of our Student Service quality. The information you provide here will be treated with highest confidentiality and will only be used for official purposes. Rest assured that your name and identity will not be used as references without your prior consent. You might be called upon to a closed door session for clarification of your comments. You also have the right to remain **Anonymous** (keep your identity a secret). However, in that case any comments/ suggestion you provide will be considered **unofficial**.
