

DGIST Full Scholarship Program for the International Graduate Students

Bring your dream of becoming a creative global leader to the hub of science and technology in Korea

DGIST Vision

A World-leading Convergence University

- Nurturing global leaders of knowledge creation
- Creating future convergence technologies

Why DGIST?

- Government-funded Research-oriented University
- Full Scholarships (Tuition)
- Stipend
 - Ph.D students : 13,680,000KRW + α / year
 - M.S students : 7,440,000KRW + α / year
- Best Faculty team with the world-Class Scholars
- High-Technology Facilities
- Participation in Government Research Projects
- Convenient dormitory facilities

Why Korea?

Country with Dynamic Energy

- Rapid growth in the science & technology fields
- Hometown of global leading companies (Samsung, LG, Hyundai)

High satisfaction reported by international students

- Comfortable and safe residential environment
- Good educational atmosphere and various cultural activities

Rising Star in the International Community

- 'Korean Wave' showcases Korean rich cultures across the globe
